ACADEMIC PATHWAYS PROGRAM

Physics Co-ordinator

UWS College Limited is a wholly owned entity of the University of Western Sydney that provides opportunities for international and Australian students with the delivery of diverse educational solutions. Employing over 200 staff and operating over 3 locations the College provides pathways to University through English, University Foundation & Diploma programs, coupled with Government supported adult migrant English programs, and continuing professional development programs.

This position will be based in our Academic Pathways Programs at Nirimba Campus. The Academic Program offers Foundations Studies (University entry) and First Year Diploma Course to Australian and International Students.

We are currently seeking a Full-time Physics Co-ordinator join our Academic Pathways team. The Physics Co-ordinator will be responsible for leading staff in developing initiatives to enhance the learning and teaching of Physics at the College. This will include working with staff in the development of curriculum as well as standards and criteria based assessments, the implementation of technology in learning and teaching, and taking a leading role in the teaching of Physics in the Academic Program.

Selection Criteria

- Skilled practitioner with a 3 year Bachelor degree in relevant area.
- Minimum of 3 years recent teaching experience of Physics at first year university, Diploma level or senior high school level in Australia to students from diverse academic, linguistic and ethnic backgrounds.
- Formal teaching qualifications such as Grad Dip in Adult Education or Dip Ed or at a minimum Cert IV in TAA.
- High level of academic communication skills appropriate to the position.
- Demonstrated ability to set reliable and valid criteria and standards based assessments.
- Demonstrated ability in developing resources/curriculum/assessment documentation.
- Demonstrated ability or willingness to incorporate e-learning initiatives into classroom teaching.

Desirable

- Recent experience and demonstrated ability in a leadership/supervisory role in Senior High School or university pathway setting

If you are interested in being part of a team committed to outstanding performance, this is a great opportunity, so make your application count by forwarding your covering letter and resume. Only applicants who address the selection criteria will be considered for the position.
