The installation of a new Chancellor is a significant event in the life of a university. At the University of Western Sydney we are celebrating a major milestone in the history and development of our institution, with the appointment of Professor Peter Shergold AC as the University’s third Chancellor.

With a distinguished academic and public service career that spans over three decades, Professor Shergold brings a wealth of knowledge and experience to his role with the University.

Professor Shergold was elected Chancellor of the University of Western Sydney by the Board of Trustees in October 2010 and succeeds Mr John Phillips AO.

An academic procession will form part of the installation ceremony. Those guests who wish to do so are invited to participate by bringing their personal academic gowns to the assembly point in the auditorium (Building EE) by 3.30pm and joining the official procession.

Guests who would like to reserve an academic gown should complete the online registration at www.uws.edu.au/chancellorinstallation
