# OUR COURSES

## OUR ENGLISH LANGUAGE PROGRAMS (CRICOS CODE 060789E)

Whether you want to improve your general communication skills, pass an important exam or attend an English-speaking university, we have a course for you. Choose from English for Academic Purposes (EAP), Communicating in English (General English (GE)), Advanced Academic English and IELTS Preparation courses.

### Academic English for Tertiary Studies (CRICOS Code 082069M)

Academic English for Tertiary Studies has been specifically designed to develop ESL students' English proficiency to enable them to communicate confidently, express ideas effectively and achieve rhetorical competence incrementally so that they attain a level of language proficiency corresponding to the standard required for entry to Australian tertiary educational institutions.

This course has five modules, English for Academic Purposes (EAP) 1 to EAP 5, catering for Pre-Intermediate to Advanced English level students. Each module consists of 10 weeks and includes 20 hours per week of face-to-face teaching.

- » **EAP 1** - This course provides a bridge between general English skills and academic skills in reading, listening, speaking and writing. During the course, students will concentrate on basic grammar and sentence structure, leading to more complex texts.
- » **EAP 2** - EAP 2 provides students with a foundation in academic writing, reading, listening and speaking skills through general coursework, oral presentations, factual reports and regular assignments.
- » **EAP 3** - This level consolidates students' understanding of a range of academic texts and builds on the skills developed in the EAP 2 course.
- » **EAP 4** - EAP 4 extends students' proficiency in academic English with opportunities to strengthen their language and critical literacy skills in preparation for tertiary study.
- » **EAP 5** - EAP 5 allows students to further develop their language skills in academic writing, reading, listening and speaking to a competent level. It is excellent preparation for the university environment. Students who successfully complete EAP 5 do not need to take any further English language tests to gain entry to their study at UWS.

### Advanced Academic English Skills (CRICOS Code 082209D)

This program has two components:  
» Module A: Reading and Writing, and  
» Module B: Listening and Speaking.

**Module A** provides students with the intensive writing and reading practice they need. It is designed for students who either have IELTS (Academic) 6.5 or above but only a 5.5 in reading and writing, or need to polish their reading and writing skills before entry to tertiary studies.

**Module B** focuses on providing students with high level spoken communication skills for work or further study. It is designed to help improve fluency, pronunciation and public speaking skills. It combines well with Module A.

### Master of Teaching Direct Entry English Program (MTDEEP) (CRICOS Code 084618D)

This program is designed to bridge this gap and provide an integrated skills program of listening, speaking, reading and writing to develop students' English language proficiency to an overall 7.5 IELTS with a minimum 8 in Speaking and Listening and minimum of 7 in Reading and Writing.

The course incorporates practice in academic study skills and practice in language skills particularly pertinent to teaching in the Australian school sector.

### Communicating in English (General English) (CRICOS Code 082210M)

The General English program prepares students for effective English language communication. The program is designed to develop English proficiency from a beginner level through to an advanced level, and teaches students how to communicate effectively in everyday society.

### IELTS Preparation Course

For students wanting to enter university within Australia and overseas or needing an IELTS certificate for visa or Australian immigration purposes, the English Language Program also offers an IELTS Preparation Course. This course provides you with skills and confidence in test taking for both modules as well as an understanding of the IELTS practice test. It also prepares you for all four skills tested (reading, writing, listening and speaking).

### IELTS Test Centre

The International English Language Testing System (IELTS) is an international English test used for entry to universities and other educational institutions, both within Australia and overseas.

The IELTS centre is located on our Westmead campus, which is close to Westmead Station and other public transport links servicing Westmead Hospital.

### Packaging Programs

UWSCollege English courses can be packaged with University Foundation Studies and/or Diploma courses as well as UWS degrees. You will only need to pay one international student processing fee. One of the advantages of packaged programs is that only one visa is required for the entire study period at UWSCollege. Where a package includes English, no further external English test will be necessary before beginning your next course at UWSCollege or UWS

### English Entrance Test

UWSCollege offers an English language testing service to determine whether you have the English language skills required for direct entry to UWS and UWSCollege. The two-hour English Entrance Test will assess your English skills in listening, reading and writing.

### Teaching English to Speakers of Other Languages

A recognised qualification within the Australian Qualifications Framework (AQF), the Certificate IV in TESOL is designed for those wishing to pursue a career in teaching English to speakers of other languages. Available in various modes, accreditation can be achieved by studying full-time, part-time or in intensive mode.

## DO I NEED HEALTH COVER?

Overseas Student Health Cover (OSHC) is a compulsory requirement for the issuing of a student visa. When you accept your offer at UWSCollege you will need to purchase OSHC for the proposed duration of your student visa. Students from Belgium, Norway and Sweden may not be required to take out OSHC. The cost of medical treatment is very high in Australia and you must meet any expenses not covered by OSHC.

## HOW MUCH WILL IT COST ME TO STUDY?

You will need to consider the cost of travel, tuition fees, school costs of any dependents, and living costs. Other costs include compulsory health cover.

## HOW DO I APPLY FOR A REFUND?

If you require a refund of your fees, it is important that you notify UWS International soon as possible. You must also provide a copy of your Confirmation of Enrolment, together with the mailing address to which your refund is to be sent. Refunds are normally made to your home country, and only in exceptional circumstances are they made in Australia. The exact refund you will be entitled to depends on the reason why you need a refund, and how quickly you notify UWS International Office in writing, that you require a refund.
