The Parramatta campus shuttle buses will operate a loop service between the north and south campuses from Tuesday 4 January until Friday 23 December 2011. The shuttle services run every 30 minutes between 7.50am to 9.30am and 10.30am to 10.55am during semester breaks. During semester breaks, a reduced service is provided between 7.30am and 9.30pm, with the last pick up being from the Parramatta south campus. This is a free service for UWS students and staff.
