I'M FOR IMPROVEMENT AT UWS. G'day I’m Michael Robertson, a 4th year Engineering student. If you’re like me you probably feel that things such as parking and food outlets and other services at UWS aren’t exactly up to scratch. What I want to do is demand a fairer go for us students and improve them!!!! Just because Penrith is a small campus doesn’t mean the quality of the services need to suffer.

A vote for me is a vote for an honest bloke to represent you on the Penrith Campus Council and get things done.

A vote for me is a vote for an easy going person who is always keen for a chat about any issues you may have.

A vote for me is a vote to get things done.

Vote 1 MICHAEL ROBERTSON!!!

Hi my name is Eric I am completing a Bachelor of Construction Management. I would like to be a part of the SCC as I believe I show great leadership skills, I feel that I possess a friendly and approachable attitude for students on campus. I will ask and listen to my fellow peers around campus and bring their issues and concerns forward for the SCC to discuss and address. I believe in working together as team, showing respect to all walks of life, I am a committed person and try my hardest at all times when doing work. I believe that all students should have the right for their voice to be heard and not go unheard. All students should have the right to a fair and safe learning environment. That is why I would like to be on the Student Campus Council at Penrith (Kingswood), University of Western Sydney.
