Applying for promotion
Tips for success

• Start early – It’s like writing a grant!
• Gather information
• Update your CV
• Do a 360
• Get a mentor who has recently been promoted and is willing to share their application and read yours.
• Be strategic about your strengths
• Believe in yourself and sell yourself
• Don’t go too early and don’t go too late
• Be yourself
“The road to success is always under construction” – Lily Tomlin
