Documentation

Requests for reclassification of a General Staff Position must be made on the Request for Reclassification of a General Staff Position form.

The staff member and nominated supervisor are required to sign the request form. The request form must be endorsed by the Dean or Director as an indication of her / his support for a review of the HEW level of the position.

If an occupied position is reclassified to a higher level, the new salary will be effective from the date of submission to the Dean / Director or the date indicated on page 3 of this form, whichever is the earliest.

NOTE:

Position classification establishes the work value of a position and sets the applicable salary range. It does not reflect the personal qualities or contribution of the individual employee occupying the position.

An increase in classification can be justified only if there has been a significant net addition to the value of the work required to be performed and an assessment reveals that the work is unquestionably that of a higher classification level. A change in work or increased workload may not necessarily involve a change in the value of the work.
REQUEST FOR CLASSIFICATION / RECLASSIFICATION OF A GENERAL STAFF POSITION

This form must be completed and forwarded to your HR Business Partner through the Executive Dean/Director to allow a reclassification request to be registered and proceed. Mail to Office of Human Resources, Building AE, Werrington North, Penrith Campus.

Position Details

Position Title: ____________________________________________

Establishment No: ________________________________________
[if “new” position insert “new “):

School/Office: ____________________________________________

College/Division: __________________________________________
