Bringing Knowledge to Life

The University of Western Sydney (UWS) is a modern, progressive university committed to providing relevant courses for today’s rapidly changing world. With a student population of over 40,000, including over 4,500 International students, UWS is one of the largest universities in Australia.

At UWS, we are ‘Bringing Knowledge to Life’ by combining academic study with hands-on practical experience. Our courses are taught by over 1,100 academic staff who are leaders in their field and work hard to share their knowledge and passion with our students.

Campuses
www.uws.edu.au/campuses
UWS is a multi-site institution with six campuses located across Greater Western Sydney.
» Bankstown campus
» Nirimba campus (Blacktown)
» Campbelltown campus
» Hawkesbury campus
» Parramatta campus
» Penrith campus

Each campus has its own unique atmosphere, creating a green and friendly study environment. All campuses are served by both public transport and major roads.

Academic Programs
www.uws.edu.au/handbook
UWS offers Undergraduate and Postgraduate degrees in a range of areas of study. Courses at UWS are divided between the University’s 10 Schools: Humanities and Communication(s), Social Science and Psychology, Education, Business, Law, Biomedical and Health Sciences, Computing, Engineering and Mathematics, Nursing, Medicine and Science.

Research at UWS
www.uws.edu.au/research
The University’s research centres are the flagships of the University, providing sustainable solutions to real-world problems of the 21st century, and represent our primary research strengths.

Academic Entry Requirements
www.uws.edu.au/international/admissions
Admission to UWS is highly competitive and students must satisfy the academic and English language proficiency requirements of the University. However, if you do not meet the admission requirements for UWS, you have the opportunity to prepare for university study at UWSCollege.

*It should be noted that certain courses may have additional special entry requirements.

Pathways to University – UWSCollege
www.uwscollege.edu.au
UWSCollege is the University’s preferred provider of English language, University Foundation Studies and Diploma courses to prepare students for university. Students at UWSCollege are already part of the UWS community and have access to the University’s wide range of education, leisure and social activities.

Your Pathway to Success
At UWSCollege we welcome the contribution our International students make to the social, cultural and academic life of UWSCollege. Students from more than 40 countries choose the college for their English and Academic studies each year.

Study with UWSCollege
www.uwscollege.edu.au/courses/international
UWSCollege can provide a pathway and the opportunity to prepare for university study, especially for those students who do not meet the requirements for entry straight into University.

The University Foundation Studies Programs offer International students the opportunity to study at UWSCollege for either two or three semesters. Students can tailor their study programs and receive full academic credit at the University of Western Sydney.

Students can also undertake a UWSCollege Diploma, which gives advanced standing of one year in an undergraduate degree program and the opportunity to fast-track your studies.

English Courses
www.uwscollege.edu.au/courses/international/english_programs
The UWSCollege English Language Program offers fully accredited courses that can give you the confidence and communication skills you need to meet the challenges of university study.

The College is a member of English Australia (EA) and University English Centres Australia (UECA) and all of our English programs are accredited with the National ELT Accreditation Scheme Limited (NEAS) Australia.

UWSCollege is certified by the Australian Government (CRICOS Provider Code 02851G) as a licensed provider of English Education for International students. So you are guaranteed that your UWSCollege English language qualifications are highly regarded in Australia and internationally.

Facilities
UWSCollege has a wide range of facilities and services available to students and two campus locations, Nirimba (Blacktown) Campus and Westmead. We provide academic, career, social and personal support and counseling services with a caring and supportive college community of multilingual staff and students.

As a UWSCollege student you are entitled to use the facilities and services of the University of Western Sydney (UWS), which includes the use of any UWS library.
