Teaching and learning at UWSCollege

Class sizes at UWSCollege are strictly limited to help guarantee the highest standard of teaching and learning and to help our staff understand and meet your individual needs on a daily basis.

When you arrive at UWSCollege, you may find that our teaching style is different to which you have experienced in your home country. In Australia, for example, you are encouraged to express views that are different from those of your teacher. At the same time, you are also expected to politely explain your views to your teacher and the rest of the class.

At UWSCollege, you need to be able to understand and critically examine the new concepts being taught. You will be expected to participate in class discussions and to present seminars. If you do not understand something, your teacher will expect you to ask questions.

Most course subjects in our Academic Pathway Programs require you to use more than one textbook as you are encouraged to read widely for all subjects. In each class, your teacher will give you a list of books that are recommended reading for that subject.

Your timetable

The timetable for your lectures and classes will be given to you at Orientation.

You are required to attend all the lectures and tutorials listed on your timetable. As an international student, you are reminded that under the conditions of your visa, you must attend at least 80% of your classes.

At UWSCollege, we expect you to be able to manage your time – including scheduled lectures and tutorials, study time and recreation activities.

Student Diary

You will receive a UWSCollege Student Diary on Orientation Day. The diary contains important information about UWSCollege, your course and living in Australia.

Student Services

Our dedicated Student Services team offer you help in the following areas:

- Adjusting to life in Australia
- Study and academic issues
- Course enquiries
- Career guidance
- Counselling and support
  - Loneliness and homesickness
  - Illness or disability
  - Bereavement
  - Social Support Services
- Advocacy
- Advice on seeking part-time work (UWSCollege does not find employment for students)
- Accommodation
- Financial matters
- Visa issues
- Student Social Activities.

Facilities

UWSCollege Nirnima, Westmead, Bankstown and Penrith campuses offer the following facilities:

- Lecture and tutorial rooms
- Computer laboratories
- Internet access
- Academic services
- Sport and recreation facilities
- Cafés
- On-campus parking
- Student common rooms
- Prayer rooms

All campuses also feature a well-resourced library with private study rooms.
Guardianship
When a UWS College student is under 18 years of age, a responsible adult must be nominated to supervise that student during their stay in Australia. The nomination of a responsible guardian ensures that the student is properly cared for until they are 18 years old.

For more information about Guardianship, visit www.uwscollege.edu.au/how_to_apply/international or contact Student Services by telephone +61 2 9852 4488, or email pathwaystouni@uws.edu.au.

Overseas Student Health Cover (OSHC)
To be granted a Student Visa to enter Australia, international students and their families in Australia must have private health insurance through the Overseas Student Health Cover (OSHC) scheme. You must pay for OSHC in your home country before you receive your Student Visa.

As a student visa holder you will need to have a valid Overseas Student Health Cover (OSHC) for the duration of your student visa. This is a requirement of the Department of Immigration and Border Protection (DIBP). UWS and UWS College use Allianz Global Assistance OSHC as their preferred provider. You are responsible for maintaining your health cover by continuing payments directly to the provider during your period of study.

When you pay for OSHC, you receive an OSHC card that you need to present to the health service provider or hospital each time you require a health service. You will receive your OSHC card soon after you arrive in Australia. If you need to see a doctor before you receive your OSHC card, keep your receipts so that you can claim the expenses back as soon as you receive your OSHC card.

Under OSHC, you can be attended by any doctor who has a Provider Number. For example, you may choose to be attended by a doctor who practises near the UWS College campus where you are studying, or close to where you are living in Sydney.

OSHC is compulsory even if you have health insurance in your home country. Some Norwegian, Swedish and Belgian students however, may be exempt from the requirement for OSHC if they are already covered by their government’s health insurance scheme.

Please note that while OSHC represents excellent value in health insurance, it does not cover every medical circumstance or cost. You should check the exclusions given in your OSHC policy document and benefits. For more information about OSHC, visit the Allianz Global Assistance website www.oshcallianzassistance.com.au.

Work while studying in Australia
You can work up to 40 hours a fortnight while your course is in session and you can work unlimited hours during scheduled course breaks. For further information, visit the Department of Immigration and Border Protection website at www.immi.gov.au.

Tax File Number (TFN)
Every taxpayer in Australia has a Tax File Number (TFN). If you intend to work in Australia, you must have a permission to work included with your visa before you apply for a TFN from the Australian Taxation Office (ATO).

For more information about a TFN visit www.ato.gov.au.
When you arrive in Sydney, you will discover one of the best qualities of life and education offered anywhere in the world. Sydney is Australia’s oldest and largest city and the commercial capital of Australia. It is also home for 4.3 million people who enjoy a temperate climate and vibrant, multicultural way of life. Sydney’s offerings include a spectacular harbour, outstanding education and cultural centres, Olympic sporting facilities, beautiful parklands and ocean beaches and world class shopping centres and restaurants.

For more information please visit the City of Sydney website at www.cityofsydney.nsw.gov.au.

Currency

The Australian currency is decimal. Paper money is in $100, $50, $20, $10 and $5 notes. Coins are in $2, $1, 50c, 20c, 10c and 5c pieces. You should bring some Australian currency with you for when you arrive in Australia.

Postage

The Australian postage system operates through Australia Post. There are Australia Post shops in most suburbs and shopping centres offering weekday services that include lettergram, facsimile, letter and parcel post and money orders (similar to bank cheques). Australia Post shops also provide a bill paying service for electricity, telephone, gas and water bills and limited banking services for the Commonwealth Bank of Australia. Mail deliveries are made on all weekdays except public holidays.

Transport

Australians drive on the left side of the road and by law, all drivers and passengers must wear a seat belt. Strict drink-driving laws also apply. The main forms of transport in Sydney are by motor car, bus, train, ferry, motor cycle and bicycle.

The NSW Government has announced public transport fare discounts for international students, providing better access to safe and affordable public transport options.

For further information please visit www.transportnsw.info/international-students.

Food

Australia has a fantastic variety of food available in supermarkets, local stores and at farmers’ produce markets. The diverse multicultural community in Sydney also ensures that you will not have any difficulty in finding food here that you are used to eating at home. As well as exporting our top quality meat, fish, vegetables and fruit to international markets. Sydneysiders enjoy good food at reasonable prices. Our restaurants, bistro and cafes are world-class and if you like takeaway food, most of the global fast food chains are here too.

Cost of living

The cost of living in Sydney depends on your lifestyle and how much commuting you have to do. The cost of living in Sydney is generally similar to that of other large, cosmopolitan cities. A student typically spends approximately $25,000 for one year’s living expenses. International students are required to have genuine access to sufficient funds while studying in Australia. Funds should be sufficient to contribute to the cost of travel, tuition, school costs of any dependants, and living costs. This rough estimate does not include tuition fees, text books or other education materials. www.immi.gov.au/students/student-visa-living-costs.htm.

Recreation

In general, Australians lead very active lifestyles. Commercial and suburban sports clubs are scattered throughout Sydney where you can participate in golf, tennis, cricket, rugby, soccer, bowling, squash and touch football.

Surfing, kayaking, sailing and swimming are also popular in Sydney due to our wonderful climate and famous beaches – including Bondi, Manly and Coogee. Bushwalking, hiking, rock-climbing, caving, canoeing and horse-riding are also popular here and all within an hour or two drive from the city.

As well as offering great views of Sydney Harbour, Taronga Park Zoo gives visitors the opportunity to see Australia’s native animals and animals from around the world. Featherdale Wildlife Park in Western Sydney only 12 minutes’ drive from the Nirimba campus at Quakers Hill – the unique opportunity to hand feed a kangaroo, wallaby or emu, and enjoy a face-to-face introduction with a koala.
By making essential arrangements before you leave your home country, you will be able to quickly settle into your new life in Australia.

Some of the things you need to arrange before you leave your country are:

» Accommodation – where will you live?
» Airport Pick Up – who will meet you at Sydney Airport?

» Visa – do you have the correct visa for entry into Australia?
» Money – do you have enough money for living in Australia and UWS College fees?
» Family contact – how will you contact your family when you are in Australia and how will they contact you?

For more information, visit the Australian Government Department of Immigration and Border Protection (DIBP) at www.immi.gov.au

Prohibited items and Customs

Australian quarantine laws are very strict. Many types of food, plants, animal products and some medicines cannot be brought into Australia.

If you are carrying any of these items on your flight to Australia, you must declare them on the Incoming Passenger Card that you receive on the aeroplane, before you go through Customs.

These restrictions also apply to material posted to Australia so you should tell your family and friends about them. A quick guide to prohibited items www.dfat.gov.au.

Foot-and-mouth disease

Please cooperate with Quarantine Officers at Customs if they ask to inspect your footwear and clothing for soil, straw or any other material that could carry the foot-and-mouth virus.

Luggage limits

Airlines usually limit each passenger to 20kg of luggage. Some airlines charge a fee for excess luggage weight. Please check with your airline for their luggage limit and fees.

There are six easy steps for accepting your Offer of Admission to UWS College and booking your Sydney accommodation and airport pickup service.

**Step 1**

**Apply for your visa**

You can use an UWS College authorised overseas agent to help you apply for your Student Visa, or you can apply for your visa independently.

**Student Visa**

You must obtain a Student Visa before you leave your home country. The Australian Diplomatic Mission in your home country will explain the visa requirements for Australia. For more information visit the Australian Government Department of Immigration and Border Protection (DIBP) at www.immi.gov.au

**Overseas Student Health Cover (OSHC)**

Health insurance is compulsory for every visitor to Australia who holds a Student Visa. You must include the initial payment for OSHC when you accept our offer to study at UWS College and pay your tuition fee. UWS and UWS College use Allianz Global Assistance OSHC as their preferred provider.

**Step 2**

**Read UWS College policies**

It is your responsibility to carefully read all UWS College policies. Policies are available at www.uwscollege.edu.au

**General Information**

For international students, UWS College policies are subject to the ESOS Act, the Migration Act 1958 and other relevant legislation as well as the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007. If there is any inconsistency between the requirements of any such legislation or the Code and UWS College policies, the legislation and the Code prevail over UWS College policies.

The agreement between UWS College and the student embodied in UWS College policies does not remove the right to take further action under Australia’s consumer protection laws. UWS College’s dispute resolution processes do not circumscribe students’ rights to pursue other legal remedies.

The Australian Government has produced a description of the ESOS framework which all prospective students should read. It is available from the UWS College website at www.uwscollege.edu.au or Australian Government Department of Education at www.internationaleducation.gov.au.

**Step 3**

**Complete and sign the UWS College form**

**Offer Acceptance Agreement – International Students**

The ‘Offer Acceptance Agreement – International Students’ form is provided on pages 20 and 21 of this brochure. Read this form carefully before you complete it and sign it.

A copy of the receipt for your telegraphic transfer or credit card payment must be attached to your completed ‘Offer Acceptance Agreement – International Students’ form and ‘CoE Request and Payment Advice’ form.

A Confirmation of Enrolment (CoE) letter will be sent to you to confirm details of your course enrolment at UWS College.

By signing your application form you:
• Authorise UWS College to obtain official records from any educational institution previously attended by you.
• Accept that enrolment at UWS College will require compliance with the provisions established by the Australian Government for fee-paying overseas students which include the following:
  › temporary entry to Australia will be for study purposes only
  › satisfactory course progress
  › inform UWS College of any change to address and/or contact details
  › understand that temporary entry as a student confers no right to permanent residency
  › return to country of residence on completion of study.
• Undertake to pay the prescribed tuition fee and other fees for which you are liable. Failure to pay the fees when due may result in course termination.
• Understand that UWS College has the right to vary any decision regarding admission or enrolment made on the basis of incorrect or incomplete information.
• Understand that information is collected on UWS College administration forms and during your enrolment in order to meet our obligations under Australian immigration laws generally. The authority to collect this information is contained in the Education Services for Overseas Students Act 2000, the Education Services for Overseas Students Regulations 2001 and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007. Information collected about you on UWS College administration forms and during your enrolment can be provided, in certain circumstances, to the Australian Government and designated authorities and, if relevant, the Tuition Protection Service. In other instances information collected on this form or during your enrolment can be disclosed without your consent where authorised or required by law.

Conditional Offer
You may receive a Conditional Offer of Admission from UWS College if you have applied for a formal course of study but are still waiting on your final academic and/or English results. UWS International Admissions will send you a Final Offer of Admission as soon as we receive certified copies of your final results.

Cancellation of a program of study
It is an offence to submit fraudulent documentation in support of an application. Where fraudulent documents are detected the application will be rejected, any offer of enrolment will be withdrawn and any student already studying at UWS College will have their enrolment terminated. The matter may be reported to Independent Commission Against Corruption (ICAC), the police and DIBP.

Deferring your commencement of study
Your commencement of study may be deferred for a maximum period of 12 months and you will be subject to the admission requirements and fees applying at the time to which you defer. Please note that not all courses permit a mid-year commencement. If you wish to commence study at a later date and you do not request a deferment, you may be required to lodge a new application for admission with associated fees. You will need to write to UWS International Admissions requesting a deferment.

Suspension of Enrolment
A student’s enrolment may be deferred or temporarily suspended on the grounds of compassionate or compelling circumstances (e.g. illness where a medical certificate states that the student is unable to attend classes) or misbehaviour by the student. Enrolment may be cancelled for reasons including unsatisfactory course progress, unsatisfactory attendance, and non-payment of fees or misbehaviour by the student.

Fee/ Payment
Payment Information
UWS College will provide commencing students with a ‘Offer of Admission’ letter containing an invoice.

a. Academic Pathway courses include Foundation Studies and Diploma programs, and are awards of UWS, delivered under the University’s CRICOS provider code. For these courses, while the fees are set by the College, all other fee administration processes, including invoicing, payment, and refunds, must follow UWS policy. b. English Programs are courses offered under the College’s own CRICOS provider code. The fee and refund processes of these courses are fully covered by this policy.

c. Professional and Community Programs are courses taught under the College’s Registered Training Organisation (RTO), and must comply with conditions of registration as stipulated in the Australian Quality Training Framework (AQTF). The fees and refund processes of these courses are fully covered by this policy.

Part B – Fees

Setting of Fees – All Programs

(4) Any proposals to set, review or discontinue fees shall be approved by the Board of Directors on the recommendation of the Chief Executive Officer in accordance with the College’s Pricing Policy.

(5) Any proposal must be compliant with all relevant legislation and regulations.

(6) The Chief Executive Officer may vary fees for any student or group of students within delegated limitations.

(7) Fees to be charged to students shall be set out in the schedule of fees to be issued from time to time and listed on the UWS/College website.

Charging of Fees – English Programs

(8) The College will provide prospective students with a letter of offer containing an invoice indicating tuition and other fees payable.

(9) If College approval is given for the student to extend any program, the College will provide the continuing students with a new invoice for the extension of the course.

(10) The College will honour the fees stated in a letter of offer, provided that the student enrols by the date specified in the letter of offer.

(11) Students on leave approved by the College will be charged the fee stated in the original letter of offer on return to study. Students who return to the College after withdrawing from or completing study shall pay fees at the then applicable rate.

(12) A student who commences studies at the College after the commencement of a teaching period, must pay the total fee for the teaching period.

Charging of Fees – Professional & Community Programs

(13) The College will provide prospective students with an enrolment notification and an invoice/receipt indicating tuition and other fees payable/paid.

(14) If College approval is given for the student to extend any program, the College will provide the continuing student with a new invoice including applicable fees.

(15) The College will honour the advertised fees stated in the application provided that the student enrols in the year to which the fees apply.

(16) Within one week of the course starting date, students may request to defer their studies and the applicable course fees, for a college approved period (to a maximum of a year).
(17) A student who commences studies at the College after the commencement of a teaching period, must pay the total fee for the teaching period.

Payment of Fees – All Programs

(18) Students must pay fees by the date and in the manner specified in the letter of offer or invoice or other document containing information on payment terms.

(19) Instructions on payment of tuition fees shall be provided in the student’s letter of offer and/or invoice or other document containing information on methods of payment.

(20) Any bank fees shall be the responsibility of, and must be paid by, the student.

(21) A student who pays with a cheque that is subsequently dishonoured, may be charged an administration fee in addition to all bank fees.

(22) A student who has not paid the full tuition fee for the teaching period by the date specified in the letter of offer (whichever is the later) may be charged a late fee. Regardless of whether a late fee is charged, one or more of the following penalties may be applied in consultation with the Chief Executive Officer if fees remain unpaid:
   a. the student may be excluded from class;
   b. the student’s results for the relevant study period may be withheld;
   c. the student may not be permitted to re-enrol;
   d. the student may not be allowed to graduate; and
   e. the student’s enrolment may be terminated.

(23) UWS College only approves extensions of time to pay fees under exceptional circumstances.

(24) UWS College considers requests for an extension of time to pay fees on an individual basis. Students may request an extension of time to pay their fees, and are to submit their request in writing to the Manager, Finance and include documentation explaining the exceptional circumstances.

(25) UWS College will not consider requests for extensions received after the due date of the fees.

Part C – Refunds
Refund of Fees – English Programs

Full Refunds

(26) All course related fees are refunded if the prospective student’s application for a student visa is rejected by the Department of Immigration and Border Protection (DIBP). Appropriate documentary evidence must be supplied.

(27) In the unlikely event that the course is not delivered in full, then the student has the option of a refund of course related fees or be placed in an alternative course within the College at no extra cost. If the student chooses a refund, then the unused portion of the prepaid fees will be required to be paid within two weeks of the day on which the course ceased to be provided.

(28) Should the offer of a place be withdrawn due to incomplete or incorrect information provided by the student or their agent in the application, then the College has the right to retain up to 10% of the course fee.

(29) If at completion of a course, a student has a credit balance of tuition fees, the credit balance will be refunded in full.

(30) Enrolment fees and any accommodation placement, airport pick up or other expenses incurred by the College are not refundable.

Partial Refunds

(31) Where a student, after accepting the offer of a place, gives a minimum of four weeks written notice before the commencement of the course of an inability to undertake the course, all course fees paid are refundable less an administrative fee of 10% of the initial course fee, and any other agent or third party fees that may have been incurred in the recruitment of that student.

(32) Where a student gives less than four weeks written notice before the commencement of the course of an inability to undertake the course, all course fees are refundable less 50%.

(33) Where a student withdraws from the program after commencement of the program, then no refund is payable for that teaching period, and 100% of any subsequent teaching period will be refunded.

Permanent Residence Status

(34) If an international student obtains permanent residence status prior to the teaching period commencement date, they will be classified as a permanent resident and required to pay the local student fee rate. A change in status from temporary resident to permanent resident is recognised from the date the permanent resident visa is stamped in the student’s passport, not the date on which the application for permanent residency was lodged.

(35) If an international student commences a course of study and obtains permanent residence status during the teaching period, the student will be classified as an international student for the remainder of the current period. From the following teaching period the student will be entitled to enrol as a local student and will be liable for local student fees.
Where the student has already paid student fees at the international student fee rate to the College, the student must apply in writing for a refund of the difference between the international and local student fees.

Student Transfers, Deferment and Suspension

Refunds arising from the transfer of a student to another registered provider, deferment or suspension of studies shall be determined in accordance with this Fees Policy.

Refund of Fees – Professional and Community Programs

Refunds apply where:

a. the College fails to provide a course of study, or

b. an offer of admission is withdrawn, unless the offer was made on the basis of incomplete or incorrect information supplied by the applicant, in which case the College may retain an administration fee of 10% of the course fee, or

c. a registrant notifies his/her intention to withdraw in writing, seven days prior to course commencement in which case a refund, less 10% of the course fee, applies; or

d. an application for recognition or advanced standing received three weeks prior to course commencement results in a reduction of the fees paid.

Transfers to a later offering apply where a registrant has paid all fees owing and is unable to attend the current course due to extended illness or extreme circumstances, or a course is cancelled by the College.

Payments made for applications for Recognition of Prior Learning (RPL) will not be refunded.

Exceptional Circumstances – applicable to International Students in English Programs and Academic Pathway Programs.

UWS College will consider fee refunds, payment extensions or adjustments other than those outlined in this policy only under exceptional circumstances.

For continuing students, any application for a refund, payment extension or other adjustment due to exceptional circumstances must be made in writing and addressed to the Manager, Finance. Appropriate documentary evidence must be provided with any such application.

UWS College may consider applications for refunds, payment extensions or other adjustments not specifically covered by this policy or an external requirement at the discretion of the Manager, Finance.

Section 4 – Procedures

All Programs

All applications for refund of fees, including Overseas Student Health Cover charge (OSHC) must be made in writing and sent to:

Manager, Finance
UWS College
PO Box 224
Quakers Hill NSW 2763
AUSTRALIA
Email: pathwaystouni@uws.edu.au

Payment of refunds will be made in Australian dollars and will only be made by direct deposit or bank transfer into the bank account from which the original payment to the College was made (unless the original payer gives written instruction to the College to otherwise pay the refund).

Refunds in respect of an international student will only be made when the student provides evidence satisfactory to the College that arrangements have been made to leave Australia (unless the student provides evidence satisfactory to the College as to a change of visa status).

If a student is dissatisfied with a decision made by the College in reference to their fees, they may seek redress. The complaint process is covered in the College’s Student Complaint Handling and Resolution Policy.

Students may also access external avenues of resolution through processes under Australian consumer protection legislation, at minimal or no cost. These details are also covered in the Student Complaint Handling and Resolution Policy.

Refunds of course money

Student Default

English Language Programs

All course-related fees are refunded if your application for a student visa is rejected by the Department of Immigration and Border Protection (DIBP). Appropriate documentary evidence must be supplied.

Should the offer of a place be withdrawn due to incomplete or incorrect information provided by you or your agent in the application, UWS College has the right to retain up to 10% of the course fee.

If, at completion of a course, you have a credit balance of tuition fees, the credit balance will be refunded in full.

Enrolment fees and any accommodation placement, airport pick-up or other expenses incurred by UWS College are not refundable.

Where, after accepting the offer of a place, you give a minimum of four (4) weeks written notice before the commencement of the course of your inability to undertake the course, all course fees paid are refundable less an administrative fee of 10% of the initial course fee and any other agent or third party fees that may have been incurred in your recruitment.

Where you give less than four (4) weeks written notice before the commencement of the course of your inability to undertake the course, all course fees are refundable less 50%.

Where you withdraw from the program after commencement of the program, no refund is payable for that teaching period; however, 100% of any subsequent teaching period will be refunded.

Academic programs

University Foundation Studies and Diploma programs are awards of the University of Western Sydney and delivered under their CRICOS Provider Code (00917K). While the fees for these courses are set by UWS College, all other fee administration processes, including invoicing, payment, and refunds, must follow UWS policy as per the information available on the website at www.uws.edu.au.

Provider Default

In the unlikely event that UWS College is unable to deliver your course in full, you will have the option of a refund of course-related fees or being placed in an alternative course within UWS College at no extra cost to you. If you choose a refund, the unused portion of the prepaid fees will be paid to you within two (2) weeks of the day on which the course ceased to be provided.

You have the right to choose whether you would prefer a refund of course fees or to accept a place in another course. If you choose placement in another course, you will be asked to sign a document to indicate that you accept the placement.

If UWS College is unable to provide a refund or place you in an alternative course, the Tuition Protection Service (TPS) will assist you to find another course. The TPS will use an online placement service to give you all the information you need to ensure that you understand your options and can choose an alternative course that best suits you. You will still have to meet all the course entry requirements of another provider and any extra costs if the provider is more expensive than the one you originally enrolled with. If you are unable to find an alternative course after a reasonable period of time set by the TPS, the TPS will refund you the tuition fees you have paid for the part of the course that you haven’t yet received.

Refund Process

All applications for refunds must be made in writing and sent to:
